Eagle Heart & Spirit

Retreat Centre

detox-cleanse-rejuvenate
organic facials-bath salts
amazon herbs-energy therapy

by appt. 519-768-3391

OPEN

An array of intriguing services are available at the Eagle Heart & Spirit Retreat Centre located at 186 Graham Road in West Lorne. Now in her 12th year in business, Nicole Angelique Hibbs believes her business has been successful because she empathically connects with the needs of the customers.

"I get great satisfaction from empowering an individual within the community to take responsibility for their emotional, mental and physical health", she states.

Based on statistics and research within the holistic industry, Nicole notes, the baby-boomer generation is more inclined to seek natural health alternatives before the use of pharmaceuticals.

Among the services Nicole offers are the usual main stream spa programs including

pedicures, ionic foot detox and massages. Of special interest are her nutritional weight loss packages, hand made facial and body applications which are available through retail and mail order.

"It is important in this business to be professional, knowledgeable and trustworthy," Nicole adds. "Our customers need to be comfortable when they seek out the various holistic options which are available."

Nicole is able to draw on leadership skills and nutritional knowledge gained from College and working at Spa resorts in the Muskoka region. She enjoys having the opportunity to sit down with a client and give them a mini nutritional consultation.

Anyone wishing to contact Nicole can reach her by calling 519-768-3391

As an added bonus, mention that you read about her business in The Chronicle and she will give you a free sample of a new "Eco Moisture Therapy Cream."
